### Summary of reasons for decision:

This computer moving image file is deemed to be objectionable because it promotes and supports the exploitation of children or young persons for sexual purposes. It depicts a boy engaged in sexual activity with a man. The video is a record of child sexual abuse, and for those with a sexual interest in boys it legitimises and encourages that interest. The classification interferes with the right to freedom of expression set out in the New Zealand Bill of Rights Act 1990. However, this is an outcome that is consistent with Parliament's intention and reflects the concern of a free and democratic society to protect its young and vulnerable members from sexual exploitation.
